Password

Login! Sign up instead!

Sign Up

Enter your desired username and password twice and press login.

Press on "Login instead!" to navigate to the login page instead.

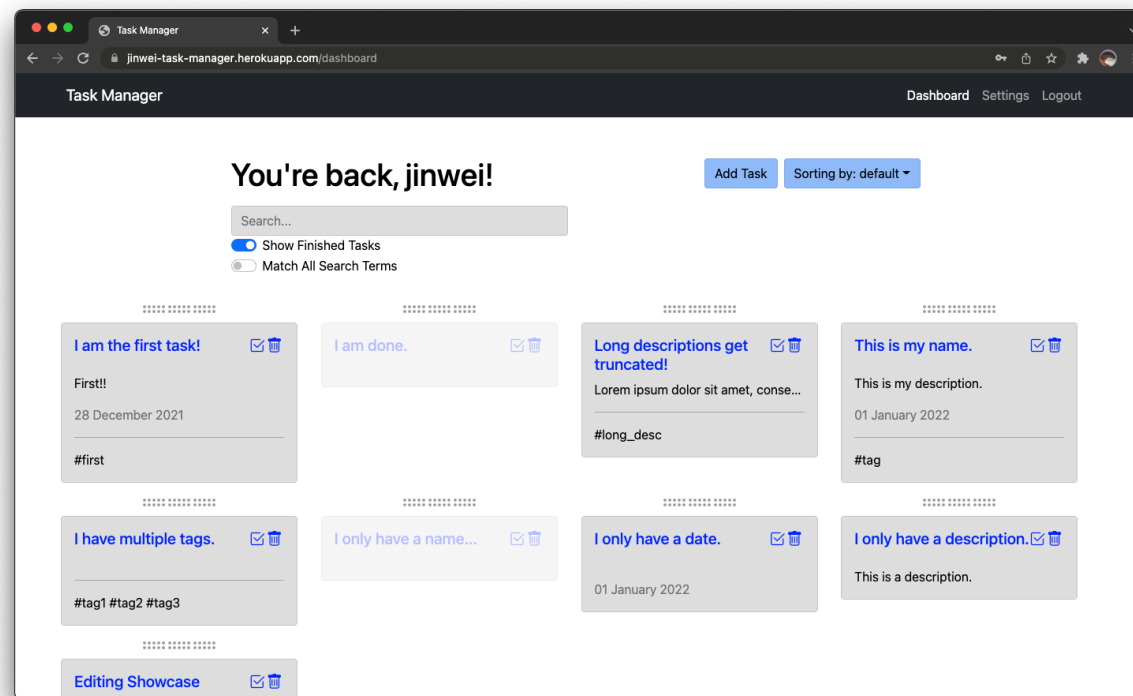

The screenshot shows a web browser window with the title 'Task Manager' and the address bar displaying 'jinwei-task-manager.herokuapp.com'. The main content area features a 'Sign Up Form' with the following elements:

- Username**: A text input field with the placeholder 'Username'. Below it, a message states 'Username must be at least 5 characters long.'
- Password**: A text input field with the placeholder 'Password'. Below it, a message states 'Passwords must be at least 6 characters long.'
- Confirm Password**: A text input field with the placeholder 'Confirm Password'.
- Buttons**: Two buttons at the bottom: a blue 'Sign Up!' button and a grey 'Login instead!' button.

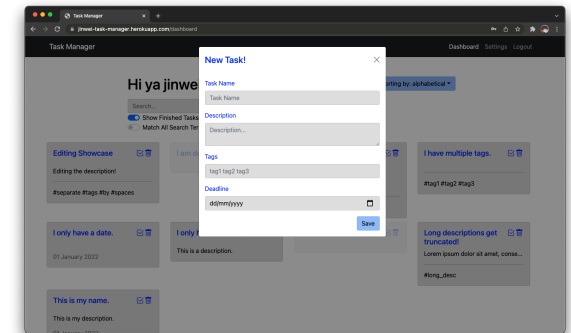

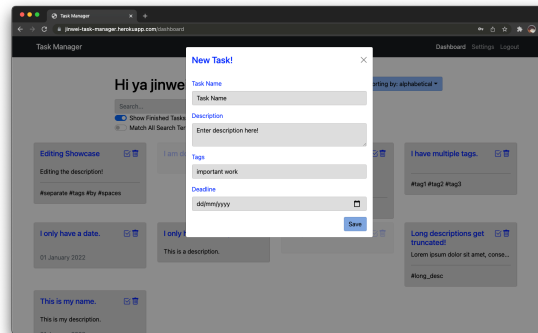

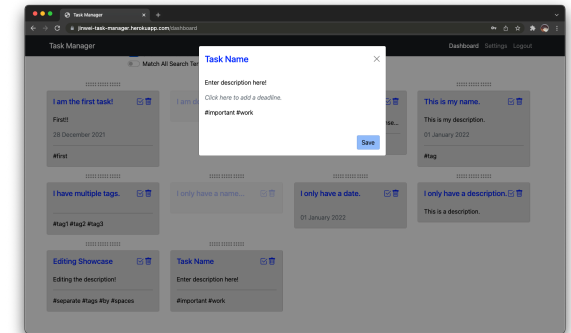

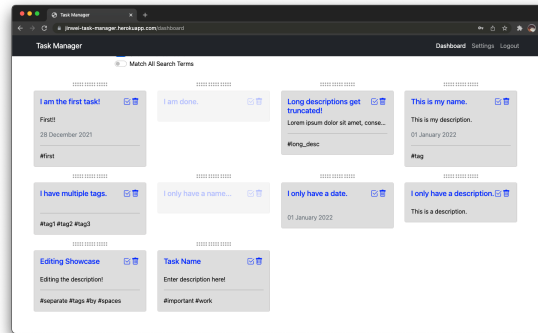

Dashboard

You will be re-directed here after successful login/signup.

Adding a Task

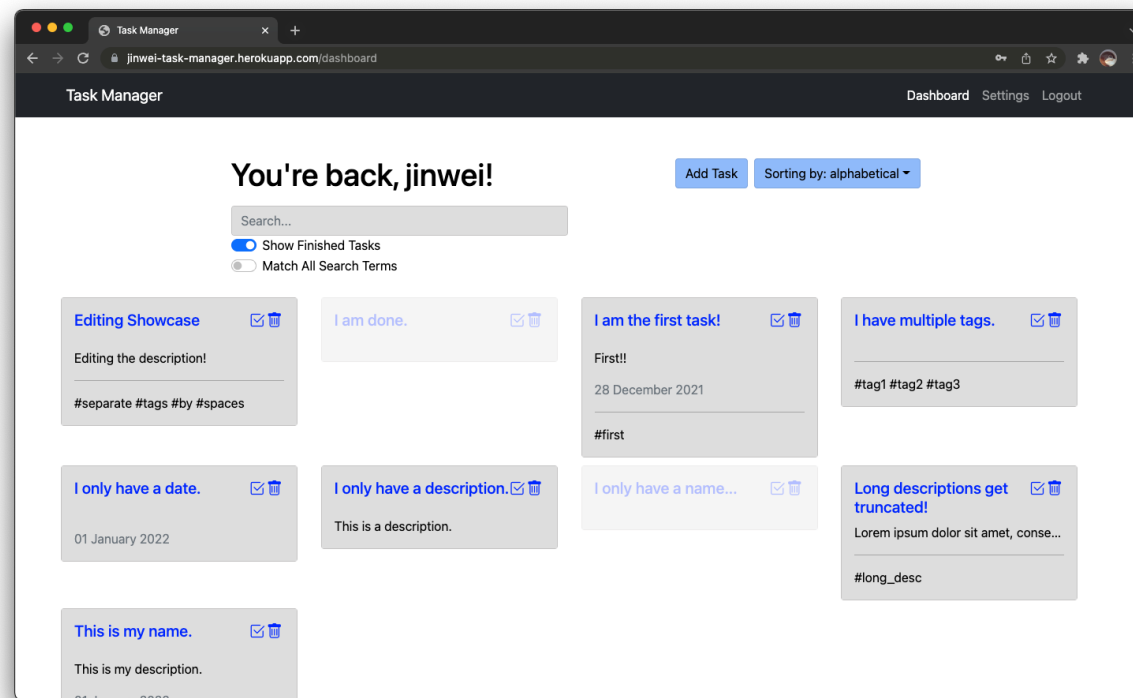

- Press the "Add Task" button to add a task. You will see the following window.
- To save the task, fill up the form and press on "Save". The task will be added to the end.
- To cancel, press on the cross on the top right. Note that this will not save the task.

Re-arranging Tasks

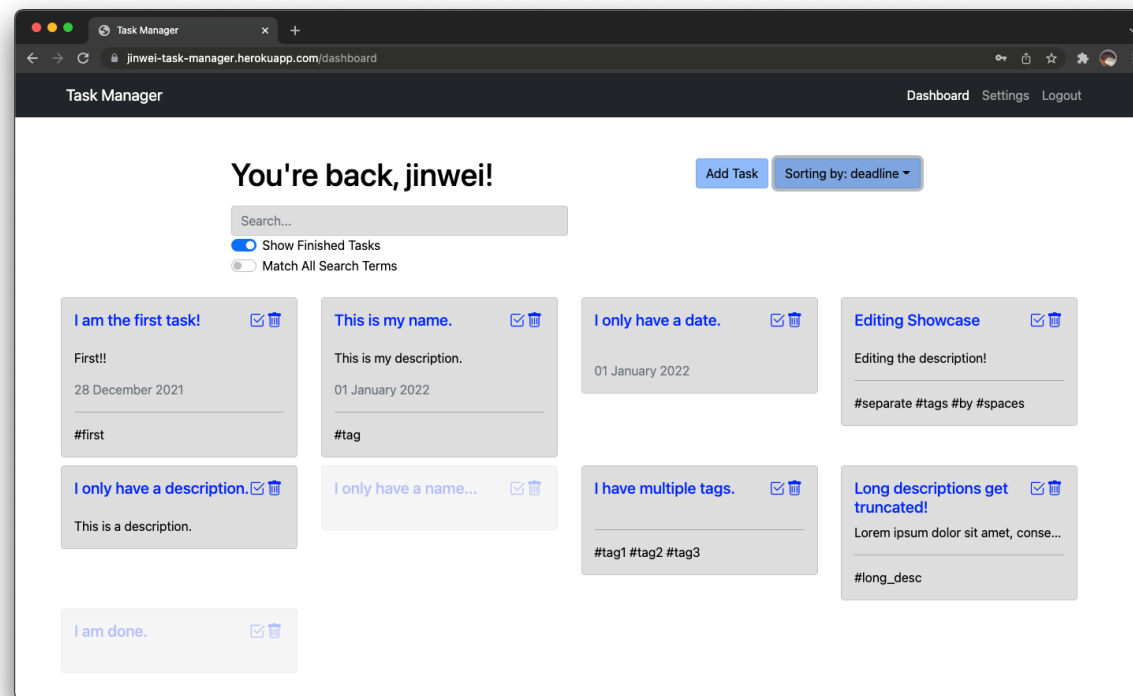

Tasks in "Default" sort can be re-arranged by dragging the dots above each task. Simply move it to the desired position and release your mouse or finger.

Sorting Tasks -- Alphabetical

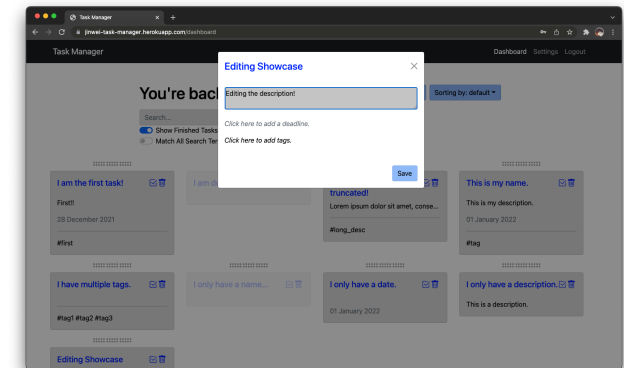

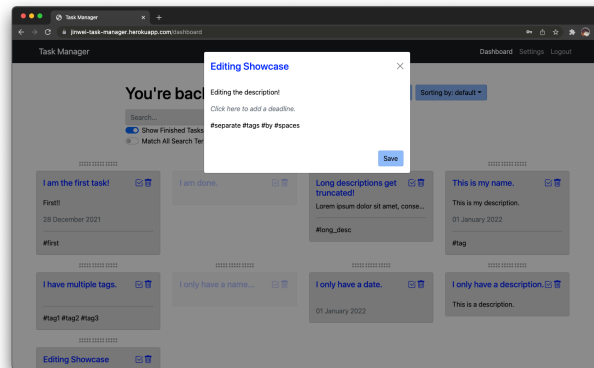

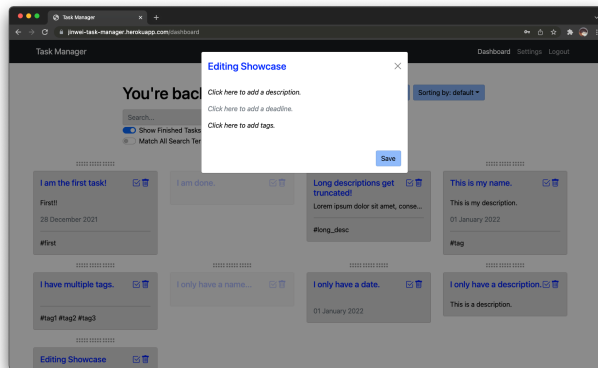

Sorting Tasks -- Deadline

The tasks without deadline will be at the back.

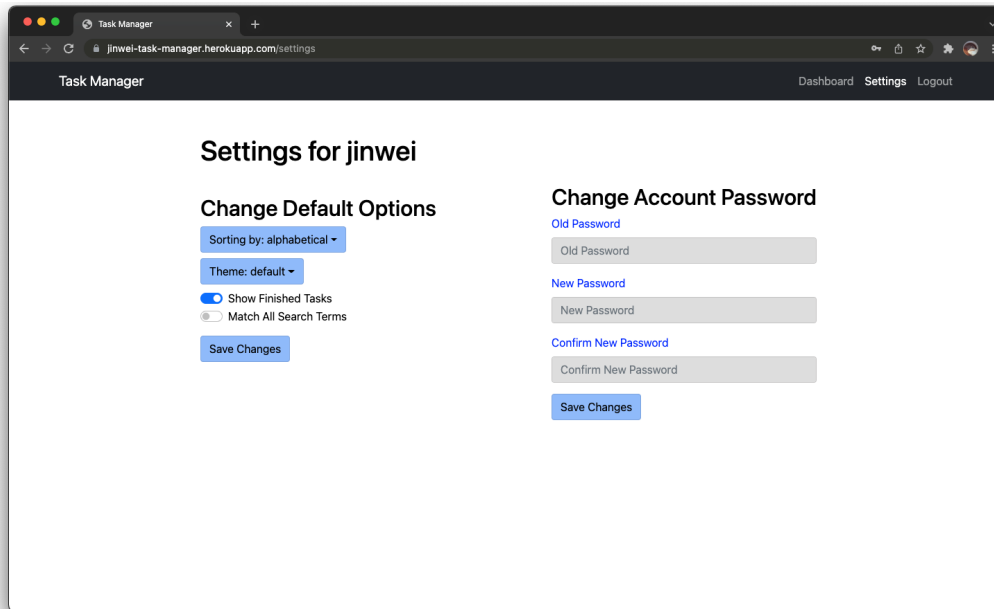

Editing Tasks

- Click on the task name to bring up a focused view of the task. From here, you can edit the fields by simply clicking on the fields to be edited. For example, by clicking on the description.

Settings

The screenshot shows a web browser window titled "Task Manager" with the URL "jinwei-task-manager.herokuapp.com/settings". The page has a dark header with "Task Manager" on the left and "Dashboard Settings Logout" on the right. The main content area is titled "Settings for jinwei" and is divided into two columns. The left column, "Change Default Options", contains a "Sorting by: alphabetical" dropdown, a "Theme: default" dropdown, a "Show Finished Tasks" toggle (checked), a "Match All Search Terms" toggle (unchecked), and a "Save Changes" button. The right column, "Change Account Password", contains links for "Old Password", "New Password", and "Confirm New Password", each followed by a text input field, and a "Save Changes" button at the bottom.

Here you can configure certain defaults.

You can change the default sort, default behaviour of showing finished tasks, default behaviour of matching all search terms. These 3 settings are tied to the user account.

You can also change the theme. This is stored as a cookie and is tied to the browser and not the user account.

You must press on "Save Changes" in order to save the changes made.

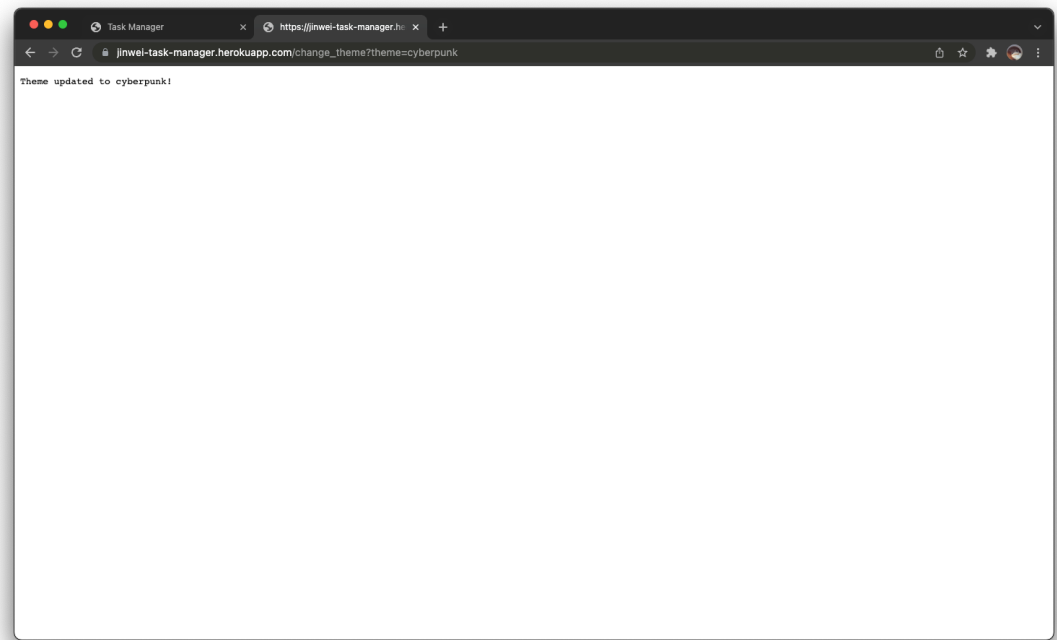

You can also change your account password.

Themes

Currently, the available themes are "default", "dark" and "cyberpunk".

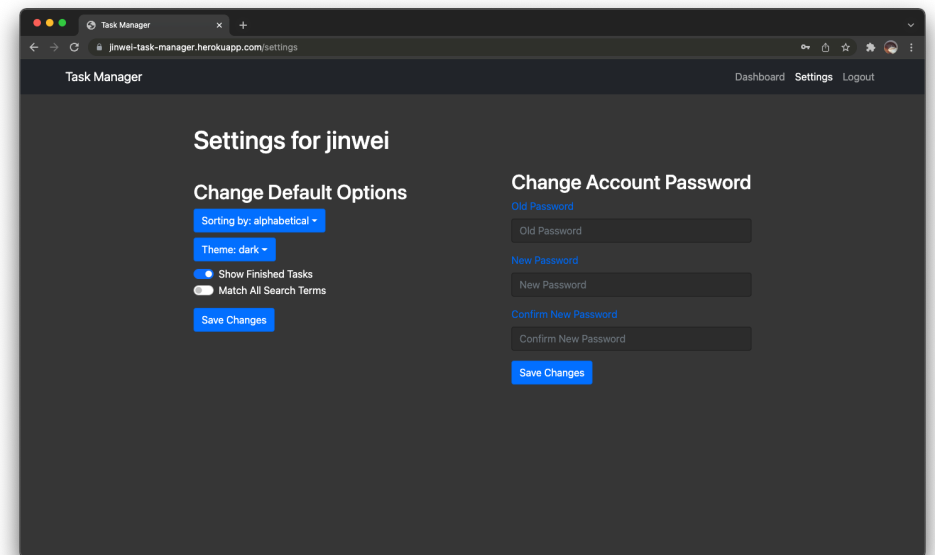

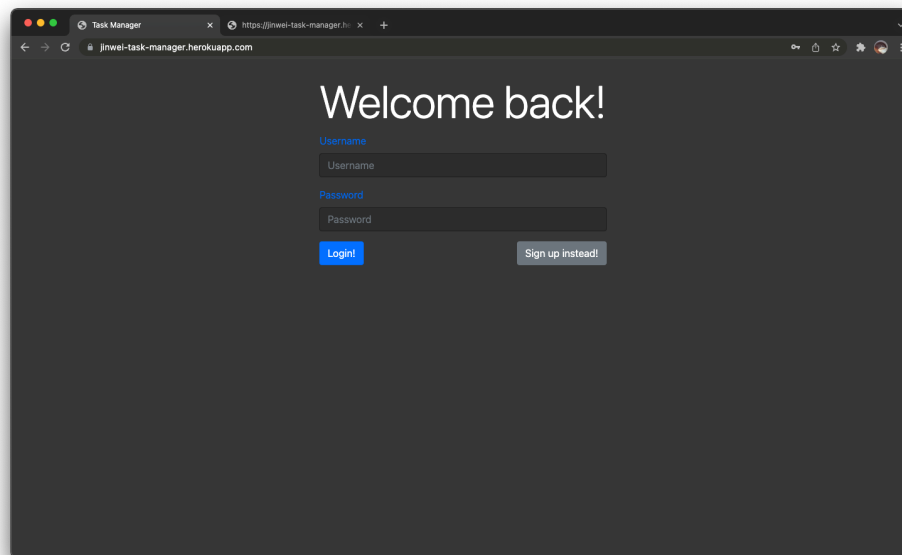

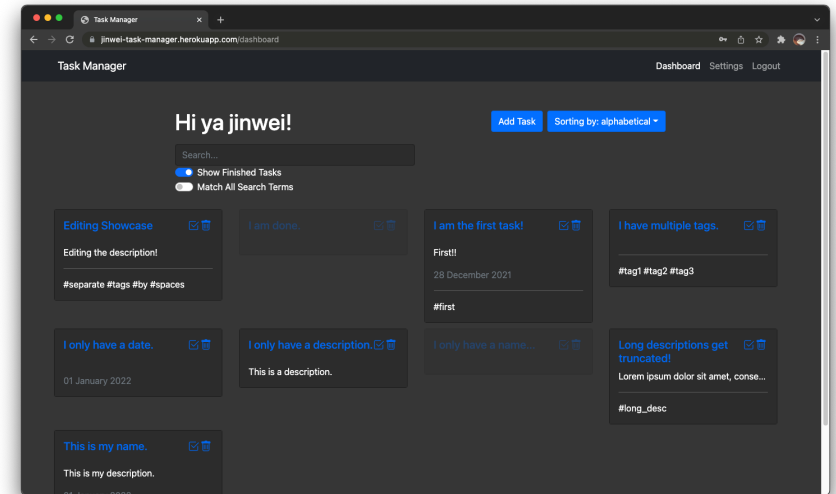

You can change your theme in the user settings.

You can change your theme without logging in by visiting this URL (replace default with the theme of your choice, case-sensitive): http://jinwei-task-manager.herokuapp.com/change_the_me?theme=default or by changing the cookie in your browser labelled `theme`.
